## REMODELED CARMEL POINT HOME

26255 ISABELLA AVENUE  
CARMEL

This dramatic Carmel Point home was completely remodeled in 2002 and has been beautifully maintained and lightly used as a second home. There are 4 spacious bedrooms and 2 and 1/2 baths. The main floor has all the living spaces and master bedroom. There are high ceilings in the living room, kitchen and master bedroom accented by wood beams. There is a loft upstairs that makes for a perfect private office. The downstairs has 3 bedrooms that share a large bathroom. There are private patios from the bedrooms. There is plenty of storage and oversized closets in each of the bedrooms. This Carmel Point location sits between both Carmel beaches and is a perfect location for Point walks.
